

EXCLUSIVE AGREEMENT

THIS AGREEMENT, serves as a legally binding contract between "Licensor" and "Licensee". This agreement grants the Licensee exclusive rights to the "Instrumental".

Grant of license

Distribute unlimited copies, with unlimited license duration worldwide from the date of purchase. Add vocals or additional instrumentation to the original instrumental. Alter the arrangement, length, tempo, or pitch of the audio content. Manufacture and mass produce the "Master Project" for distribution via all forms of physical and digital media (video, radio, etc...). The licensee can license or submit their exclusively licensed instrumental as is without a vocal performance to 3rd party licensing opportunities (sync, radio, video games etc...). The licensee alone retains the exclusive rights to license or publish the instrumental as is.

The licensee acknowledges that BeatsCraze has made or entered into contracts with other persons, firms or corporations whomsoever, for non-exclusive licenses of the instrumental, and the licensee agrees that those licenses already in effect, shall remain in effect for the term in each of those respective non-exclusive licensing agreements; provided, however, that BeatsCraze may not license the instrumental after the effective date of the payment to BeatsCraze for the transfer of exclusive rights being made. The licensee agrees to refrain from using any third party YouTube Sound Recording Revenue collection services.

Litigation

If a claim is presented against the licensee in respect of the instrumental and/or recordings, and because thereof the licensee is jeopardized, the licensee shall thereupon serve written notice upon BeatsCraze, containing the details of such claim. In the event of any recovery against the licensee, either by way of judgment or settlement, all of the costs, charges, disbursements, attorney's fees and the amount of the judgment or settlement shall be the responsibility of and paid solely by the licensee, pursuant to this agreement or under any other agreement between said parties. Failure to abide by any of the terms in this agreement shall be deemed a breach of contract.

Payment and Delivery

The licensee agrees to pay a fee for the transfer of rights. Payments will be processed through either PayPal or direct credit/debit. All files (mp3/wav/stems) will be delivered via email. Once payment is made, the instrumental will be removed from online store(s) and your exclusive license will take effect. The licensee agrees to sign any and all other documents required to effectuate the agreement and transfer of exclusive rights.

Credit

Production credit for each master project released must be accredited to BeatsCraze as either Produced by BeatsCraze or Music by BeatsCraze. Upon copyright submission to the library of congress, BeatsCraze must be credited for the derivative work. If a second producer (or more) is listed as a co-producer for the instrumental then they are to be included as part of the production credits e.g Prod by BeatsCraze and xxx. This license is royalty free. Complete ownership of publishing and performance royalties shall be transferred to the licensee upon purchase.
